Appendix L: 3-Point Lap/Shoulder Belts Information (all seating positions -
 (little or no reduction in capacity)..... P-99

SCHOOL BUS BID #2010-16 ORDERING INSTRUCTIONS

1. PURCHASE ORDER (P.O.) DEADLINES

For units ordered by June 30, 2011, the required delivery date will be 240 days from the date the bidder and/or bidder's representative(s) receives the district's P.O. after processing by the Florida Department of Education (FDOE).

For example, if the FDOE School Transportation Management Section (STMS) forwards a district P.O. to a bidder on September 24, 2010, the required delivery date will be May 22, 2011. The required delivery date will be clearly specified on the FDOE cover sheet transmitted to the bidder with the district P.O.

The purchasing school district may request that the unit(s) ordered not be delivered prior to a specified date. This request must be clearly indicated on the P.O. and a note to this effect will also be included on the FDOE's cover sheet.

P.O. received by STMS:	Date of award through June 30, 2011
Complete bus delivered or ready for pickup (guaranteed by performance bond):	Within 240 days

P.O.s may be scanned and sent by e-mail to Terri.Egler@fldoe.org, or submitted by facsimile transmission to (850) 245-9935. Please call (850) 245-9795 to confirm that your fax transmission or e-mail was received. Originals should be sent within one week of electronic transmission.

2. PAYMENT INSTRUCTIONS AND INFORMATION

Payment for Type A, C, and D complete buses will be due upon delivery and acceptance by the purchaser, or within forty-five (45) calendar days after receipt of invoice, or within forty-five (45) calendar days of receipt of Manufacturer's Certificate of Origin, whichever is later. **Purchaser has no more than ten business days to accept or reject the bus.** Rejection of any unit must be immediately confirmed through the FDOE.

Under the provisions of Section 215.422, Florida Statutes, vendors may charge interest penalties if payment for the bus is not received according to the above requirements.

3. PURCHASE ORDER INFORMATION

a. **All P.O.s must be sent to:**

School Transportation Management Section
Florida Department of Education
325 West Gaines Street, #824
Tallahassee, Florida 32399-0400
Attention: Ms. Terri Egler

NOTE: If your P.O.s are inadvertently sent directly to the vendor, **it will delay the final processing of your order and the manufacture and required delivery date of your buses.** All dealers that were awarded bids have been instructed to return any

unprocessed P.O.s to the Department of Education, STMS, for processing.

- b. Once your purchase orders are received by the STMS, they will be processed and forwarded electronically to the vendor as quickly as possible. A confirmation of receipt of your purchase orders will be e-mailed to the Transportation Director and Service Manager. A hard copy will be mailed to your school district finance manager. **If you do not receive a receipt for your order** within two weeks, please contact the STMS at (850) 245-9795. **This confirmation is important because it is your only assurance that your order has been transmitted to the vendor.**
- c. **BUS ORDERING CHECKLIST:**
- For Types A, C, and D complete bus P.O.s, the following information must be included:**
- (1) The bidder's name and address, including the contact person.
 - (2) The quantity of buses ordered, pupil capacity, body model number, engine type, unit price, total price, and other major options (lift, air-conditioning, or straight floor, as applicable).
 - (3) The air conditioner system code, if applicable.
 - (4) For wheelchair lift buses, the lift manufacturer and **location of the wheelchair lift, either in front of or behind rear wheels.**
 - (5) Specified options using option numbers as shown in this pricing and ordering information.
 - (6) Local school district bus numbers to be put on buses by the bidder. **For tracking purposes, all P.O.s processed must include local school district bus number(s). P.O.s will be delayed if required local bus number(s) are not supplied.**
 - (7) Indication as to whether buses are to be delivered or picked up by the district at the manufacturing plant. Include delivery price from appropriate manufacturer's delivery schedule, attached.
- d. **Please review all options available for this year.** The list varies by manufacturer and configuration, so review what is available for the type and capacity of bus ordered.
- f. Private schools meeting the requirements of Section 1002.42(15), Florida Statutes, are authorized to purchase buses from this bid.
- g. **Purchase orders must be in the STMS office no later than June 30, 2011.**
- h. Thomas Built Buses, Inc., uses a fuel tank mounted between the frame rails on all conventional (Type C) school bus configurations. This location requires a **left side body fuel fill** on most conventional **REAR LIFT** bus configurations.

4. UNITS WITH AIR CONDITIONER SYSTEMS

Districts purchasing units with air conditioners may choose the manufacturer, model, and system configuration. Please review the air conditioner specifications from Florida School Bus Specifications, Revised 2008, Section V, for details. Pricing information for buses with System A and System B air conditioner units has been provided for all applicable configurations. If you are purchasing a unit with an air conditioner, please make sure your purchase order clearly indicates the price and the Air Conditioner (A/C) Code. The code can be located in the first column of the A/C information. As an example, in the A/C configuration below, the A/C code is T001 and the price is \$10,743.

A/C CODE	Body Type	A/C MAKE	A/C MODEL	COM-PRESSOR	IMACA #250 (CITY) BTU OUTPUT	TOTAL CURRENT DRAW (AMPS)	NUMBER OF:		PRICE:
							EVAPORATORS	CONDENSERS	
T001	29 C	RAC	RAC-1141BH	Seltec (2) TM-2113 CU IN (1) TM-16 10.CU IN	72K BTU	66	3 (Incl Dash)	3	\$10,743

5. STRAIGHT FLOOR UNITS

The straight floor is offered as an option available on the appropriate pricing page. Please note that options such as air ride rear suspension and low-profile tires may be standard with the straight floor option. Bidders' notes to this effect are located in the option pricing pages.

6. GENERAL INFORMATION

- a. Each district ordering Type C or Type D buses will receive one service manual, CD, or on-line access authorization per shop location from the manufacturer covering the chassis model(s) purchased.
- b. The vendor is required to deliver one parts manual, CD, or on-line access authorization per shop location to each district purchasing one or more buses.
- c. Type A, C, and D final stage manufacturers shall agree to accept electronic notification of school district in-service dates provided by the DOE in lieu of forms or update forms. Such notification shall serve to update actual warranty start dates for all chassis, chassis components, and body and body component warranties.
- d. Names, addresses, and phone numbers of dealers or manufacturers awarded bids are provided on page 7. **These persons may be contacted regarding equipment, production, delivery, or other information pertaining to your bus purchases.**
- e. **The purchase of a DEALER-OFFERED OPTION** not specified herein is not permitted as part of this contract.
- f. **Matthews Buses, Inc.**, the successful bidder of Thomas Built Buses products, has designated itself and Atlantic Truck Center as the dealers that will accept orders and complete delivery of buses purchased from this contract within their defined areas of responsibility. These areas of responsibility are defined below.

Atlantic Truck Center's defined areas of responsibility are: Broward, Charlotte, Collier, Dade, DeSoto, Glades, Hardee, Hendry, Highlands, Indian River, Lee, Martin, Monroe, Okeechobee, Palm Beach, and St. Lucie counties.

Matthews Buses, Inc., maintains responsibility for the remaining areas of the state. Specifically, these districts include: Alachua, Baker, Bay, Bradford, Brevard, Calhoun, Citrus, Clay, Columbia, Dixie, Duval, Escambia, Flagler, Franklin, Gadsden, Gilchrist, Gulf, Hamilton, Hernando, Hillsborough, Holmes, Jackson, Jefferson, Lafayette, Lake, Leon, Levy, Liberty, Madison, Manatee, Marion, Nassau, Okaloosa, Orange, Osceola, Pasco, Pinellas, Polk, Putnam, Santa Rosa, Sarasota, Seminole, St. Johns, Sumter, Suwannee, Taylor, Union, Volusia, Wakulla, Walton, and Washington.

Please see page 8 for a map that designates these areas of responsibility. Matthews Buses, Inc., will notify each Florida school district as to which dealer is responsible for providing services under this contract.

All purchase orders issued by Florida school districts and any other eligible user must be addressed to the identified dealer for their area. The purchaser must then submit its P.O.s for processing as specified in Section 3 above.

7. BUS SEATING CAPACITIES

- a. All capacities listed in this guide are based on the maximum capacity of that shell size using 13 inches of rump width per seating position, per National School Transportation Specifications and Procedures, Revised 2005, and Florida School Bus Specifications, Revised 2008. Purchasers should call manufacturers to determine actual capacities for the specific configuration they are ordering. Please also see Appendix A for a general guide for wheelchair lift buses.
- b. The addition of C.E. White or IMMI Integrated child seats may reduce capacity. Please contact the dealer for specific seating capacity before placing your order.

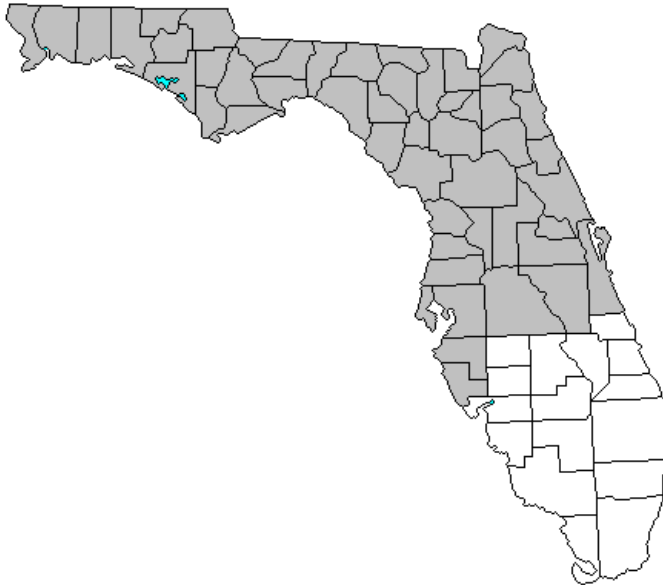

8. PRICING PAGES TERMS

The following definitions and terms are used throughout the Pricing Pages.	
Price	Base unit or option price
STD	Standard equipment
N/A	Not available or not applicable
N/C	No-charge item; item must be listed separately on the purchase order if the purchaser wishes to receive the item on the bus.

PRICES FOR TYPE D - FRONT ENGINE SCHOOL BUSES AND OPTIONAL EQUIPMENT

NOTES:

- 1) For wheelchair lift buses, you must specify desired lift make and location - front or rear.
- 2) See Appendix A for Delivery Pricing by Bus Bidder/Manufacturer and Bus Type.
- 3) See Appendix B for Wheelchair Lift Bus Seating Capacity Information.
- 4) See Appendix C for Standard and Optional Wheelchair Lift Information and Standard and Optional Wheelchair Tiedown/Occupant Restraint System (WTORS) Information.
- 5) See Appendix D for Optional Air Conditioner Information by Bus Bidder/Manufacturer.
- 6) See Appendix E for Optional Engine Information by Bus Bidder/Manufacturer.
- 7) See Appendix F for Optional Tire Information.
- 8) See Appendix G for Optional Baggage Compartment Information.
- 9) See Appendix H for Additional Option Information by Bus Bidder/Manufacturer.
- 10) See Appendix I for Video and GPS Option Prices by Bus Bidder/Manufacturer.
- 11) See Appendix J for Bidders' Notes (by Option Number): FTS (Blue Bird), Rivers (IC), MBI (Thomas).
- 12) See Appendix K for Florida Basic Safety Bus Information.
- 13) See Appendix L for 3-Point Lap/Shoulder Belts information (all seating positions - little or no reduction in capacity).
- 14) Please contact the bidder to determine if bus capacity is affected due to the installation of the:
 - (a) C.E. White or IMMI Integrated Seat.
 - (b) Baggage Compartment.
 - (c) 100 Gallon Fuel Tank.

71 Capacity Type D Front Engine Bus WITHOUT Lift

Standard Configuration: Purchase Order (P.O.) Instructions:		
	<u>Blue Bird</u>	<u>Thomas</u>
Base Bus Supplier:	Florida Transportation Systems, Inc.*	North & Central Florida Districts (see map on page 8)- Matthews Buses, Inc.** South Florida Districts (see map on page 8)- Atlantic Truck Center**
Body Make and Model:	Blue Bird A3FE	Thomas 1218S
Chassis Make and Model:	Blue Bird A3FE	Thomas CHS8
Standard Transmission:	Allison 2500 PTS	Allison 2500 PTS
Wet Sleeve or Parent Bore Engine	Parent Bore	Parent Bore
Standard Engine, HP/LB-FT:	Cummins ISB 10, 200/520	Cummins ISB 10, 200/520 <small>(See bidders' notes, Appendix J)</small>
Lift model:	N/A	N/A
Base Bus Price:	\$87,815	\$89,741

* Include base bus price and optional equipment prices on one P.O. made out to Florida Transportation Systems. See page 7 for specific P.O. addressing information.

** Include base bus price and optional equipment prices on one P.O. made out to Matthews Buses, Inc., or Atlantic Truck Center. See page 7 for specific P.O. addressing information.

PRICES FOR TYPE D - REAR ENGINE SCHOOL BUSES AND OPTIONAL EQUIPMENT

NOTES:

- 1) For wheelchair lift buses, you must specify desired lift make and location - front or rear.
- 2) See Appendix A for Delivery Pricing by Bus Bidder/Manufacturer and Bus Type.
- 3) See Appendix B for Wheelchair Lift Bus Seating Capacity Information.
- 4) See Appendix C for Standard and Optional Wheelchair Lift Information and Standard and Optional Wheelchair Tiedown/Occupant Restraint System (WTORS) Information.
- 5) See Appendix D for Optional Air Conditioner Information by Bus Bidder/Manufacturer.
- 6) See Appendix E for Optional Engine Information by Bus Bidder/Manufacturer.
- 7) See Appendix F for Optional Tire Information.
- 8) See Appendix G for Optional Baggage Compartment Information.
- 9) See Appendix H for Additional Option Information by Bus Bidder/Manufacturer.
- 10) See Appendix I for Video and GPS Option Prices by Bus Bidder/Manufacturer.
- 11) See Appendix J for Bidders' Notes (by Option Number): FTS (Blue Bird), Rivers (IC), MBI (Thomas).
- 12) See Appendix K for Florida Basic Safety Bus Information.
- 13) See Appendix L for 3-Point Lap/Shoulder Belts information (all seating positions - little or no reduction in capacity).
- 14) Please contact the bidder to determine if bus capacity is affected due to the installation of the:
 - (a) C.E. White or IMMI Integrated Seat.
 - (b) Baggage Compartment.
 - (c) 100 Gallon Fuel Tank.

APPENDIX J

BIDDERS' NOTES (BY OPTION NUMBER)

Blue Bird (FTS), IC (Rivers), Thomas (Matthews)

B2: Powered Roof Vent

IC: Units ordered with a powered roof vent will not include an additional 6-inch fan.

B7a: C.E. White Integrated Child Restraint Seats

Blue Bird: The addition of C.E. White seats may reduce capacity. Please consult with FTS for a floorplan.

IC: Districts ordering C.E. White seats are encouraged to contact Rivers Bus to confirm floor plan and emergency exit compliance prior to issuing a purchase order. Installation of C.E. White seats may reduce passenger capacity.

B8: Baggage Compartment

IC: Compatibility and availability of luggage boxes by body passenger size are determined by how the vehicle is equipped (A/C, 100 gal fuel tank, track seating, etc). Districts are strongly encouraged to contact Rivers Bus to confirm compatibility of these options prior to issuing a purchase order.

B15: Flip-up Seat Behind Driver's Seat

Thomas: Option will reduce seat capacity due to seat spacing and ISO LATCH requirements. Please consult your dealer.

B18: Under-seat Rear Heater Option

Blue Bird: 42K BTU underseat heater on Type A1 models.

Heater may be limited to 50K BTU.

Wall mount heater available under Additional Options

IC: Districts choosing the under-seat rear heater on lift-equipped buses with rear-mounted lifts will receive a rear-wall-mounted heater in lieu of the under-seat heater. Districts are encouraged to contact Rivers Bus to confirm compatibility of these options prior to issuing a purchase order.

Thomas: Thomas lift buses with rear underseat heater options will be supplied with a 50,000 BTU rear heater mounted on the rear wall behind the wheelchair lift.

B26: Track Seating Seat Option

Blue Bird: 36" CE White Student Safety Seat on Type A1 models.

CE White seats may reduce capacity. Please consult with FTS for a floorplan.

IC: The addition of seats may require one or more sets of emergency windows to maintain FMVSS compliance at a cost of \$425 per set, one left and one right.

Orders for track seating seats beyond the capacity of the base bus will not be accepted.

B27: Driver's Seat with Integrated Seat Belt

Thomas: May affect seating capacity. Customer should consult dealer for specific plans.

B28: Electric Powered Entrance Door (Type A)

Blue Bird: Electric entrance door includes lock.

APPENDIX J (Continued)

Chassis Warranty Notes:

Thomas: All buses supplied via Florida ITB 2010-16 will be provided with a limited 5-year bumper-to-bumper chassis warranty. This limited warranty covers all chassis components with exception to normal wear items which include belts, hoses, brake lining material, seals, and items covered by specified extended warranties as stated in the Florida 2010-16 specifications. This 5-year bumper-to-bumper chassis warranty is in addition to the 5-year body warranty requirements listed in the Florida Revised 2010 School Bus Specifications.

Engine Notes:

Thomas: Cummins 2010 EPA/CARB Diesel Certifications for ISB and ISC available from Matthews Buses, Inc. Atlantic Truc Sales, or the DOE/STMS upon request.

C3: Auto Transmission Warranty/All other Warranties

Blue Bird: All Type C, Type DFE, and Type DRE buses manufactured by Blue Bird will be covered by a standard five (5)-year/unlimited mileage bumper-to-bumper limited warranty.

C4: 100 Gallon Fuel Tank

IC: 100 gallon fuel tank is not available on units with track seating. 100 gallon fuel tank may limit options for luggage compartments. Districts are encouraged to contact Rivers Bus to confirm compatibility of these options prior to issuing a purchase order.

Thomas: 100 Gallon tank may require option C-10 (Air Ride Suspension) on some Type C configurations due to option content. 100 Gallon tank may affect availability of thru luggage on some rear engine models. Please consult dealer.

C6b_AC: 270 AMP L/N 4864 Alternator with Air Conditioner

Blue Bird: 270 AMP Alternator standard with ACC TC96 air conditioner systems.

C10: Air Ride Rear Suspension

Thomas: Customer P.O. **MUST** specify preference of Spring or Air Ride rear suspension.

C11: Silicone Only Heater and Engine Coolant Hoses

Blue Bird: Not available with propane engine.

Thomas: Does not include track seating or floor track. (Order separately by option.)

C12: Straight Floor

Blue Bird: Straight floor option includes Air Ride rear suspension and low profile tires.

Thomas: Straight floor option requires Air Ride Rear Suspension (C10)

NOTE: Does not include track seating or floor track. (Order separately by option.)

Optional Wheelchair Tie-down/Occupant Restraint System (WTORS)

Blue Bird: Quantity of WTORS available is limited to quantity of wheelchair positions ordered.

APPENDIX K

Spec Area	Standard Florida Specifications Requirement:	Basic Bus Bid Requirements:
Electrical Equip. & Wiring, Interior lights,	Two circuits, driver and passengers	Manufacturer's standard
Electrical Equip. & Wiring, Stop Arm Signals	Strobing lights	Incandescent bulbs
Electrical Equip. & Wiring, Strobe Lights, White Flashing	Required	Not required
Electrical Equip. & Wiring, Turn Signal Lights	LED required	Sealed incandescent bulbs
Emergency Roadside Reflectors	Sealed box	Manufacturer's standard
Floor and Covering	Pressure treated plywood underlayment	Manufacturer's standard, no plywood
Lettering And Trim : Stop When Red Lights Flash	Required	Not required
Mirror System, Interior Mirror	6" X 30" with thumbwheel, safety glass and heavy duty bracket	Manufacturer's standard 6" X 30" mirror
Mirror System, Rear Vision Mirror System	Elec. Adjustable	Manufacturer's standard meeting FMVSS 111
Paint and Finish, White Roof	Required	Standard yellow roof
Paint and Finish, Interior Paint Color	Required	Manufacturer's standard interior paint
Paneling, Exterior, Sheet Metal	20 gauge required	Manufacturer's standard sheet metal
Rub Rails	Four required	Manufacturer's standard
Seating, Crash Barriers, Lap Belts	First three rows at 28.5" knee room	Minimum 25" knee room all seats
Seating, Crash Barriers, Lap Belts	Modesty panels	Manufacturer's standard
Service Door	Air or electric operation	Manufacturer's standard
Stepwell	Pebble top material w/ polymer base	Standard ribbed step with steel backing
Side Mounted Vandal Box	33" X 10" X 9"	None required
Windows	Tinting	Manufacturer's standard
Windshield Step and Handle	Windshield step and handle	None required

APPENDIX L

3-Point Lap/Shoulder Belts

Blue Bird (FTS), Thomas, IC (Rivers)

NOTE: If ordering this option, all seats on bus must be so equipped. Contact bidder or dealer for the number of seats that the desired bus capacity and configuration will require.

Blue Bird: Not available.

Thomas: Safeguard FLEX Seat, 3 pt. standard, and/or track mounted at a cost of \$650 per seat. This may cause reduction in seating capacity. Call dealer to determine the number of seats for the bus configuration ordered.

IC: IMMI SafeGuard FlexSeats with 3-point lap/shoulder seatbelts are available for BE, CE, and RE models at a cost of \$802 per seat assembly. These seats are currently not available with UCRA attachments or as Track Mounted, Flip, or Davenport seats.

Although the IMMI FlexSeats are thinner than other 3-point seatbelt seats; they are approximately 2 inches deeper than the current standard lap belted seats. This may cause the loss of one or more rows of seating contingent on configuration. Call dealer to determine the number of seats for the bus configuration ordered.
